Prayer Corner

Joys and concerns can be posted here. Send to Cara Pilch diaduit@swbell.net

This Is YOUR Newsletter

If you are reading this newsletter, than you have email. When I open my email I see the signs of the times—"You've Got Mail"! I casually breeze through the list just to see who has sent me an email. There are those that make me smile from my friends and family and then there are those that I just automatically hit "DELETE".

Over the past few months, the Board of Directors have had numerous discussions on how can we make our newsletter a must read. What would keep our community interested? What would stop the "DELETE"

syndrome? Our discussions led us to one conclusion - Community Involvement!

That is where you come in. We would like your input. If you have an announcement, prayer joy or concern, question or comment, we would like to hear them. Maybe you have read a book recently that you would like to share. Send your information to Cara Pilch, Communications Coordinator, at diaduit@swbell.net.

Our current plans are to send an announcement Newsletter out each week-end. It will include articles from the community, upcoming community events,

prayer joys and concerns, and any announcements.

Stay tuned for your next Newsletter - Better yet - Be a PART of *your* next Newsletter!

Back to the drawing board. Contact Cara Pilch at diaduit@swbell.net

Walk 30

Walk 30 will be held at Camp Wilderness. With today's gas prices, the board is asking if there would be interest in car-pooling to and from Wilderness. If you are interested, contact Bret Worley at dbworley@kc.rr.com. Drivers and riders needed!

Book Stop

Three Simple Rules is written by Ruben Job. This little book is based on the John Wesley guidelines to Christian Living. It looks small and simple. However, it is very thought provoking and life altering. You can pick-up a copy at Cokesbury for \$5.00.

Agape

Has your reunion group started making your agape? Check with Susan Michael for specific needs of the Agape Room. Susan can help you with counts, types of agape needed, and specifics on delivery. Contact Susan at suedancer@yahoo.com

Walk 30 has begun team meetings. Please keep the teams and pilgrims in your prayers.

Walk 31 has begun team formation. Ask for God's guidance in the leader's lives.

All submissions will be reviewed for appropriateness to the Heartland Emmaus Community. This Newsletter will serve for the Community and by the Community, to glorify God.
