

## Heartland Emmaus Community Application for Service

The purpose of this application is to provide information to the team selection committee and board members to assist them in identifying people who wish to serve the community. Due to the increasing number of people in the community, we cannot guarantee that all who submit an application will be selected for a position immediately. It is, however, the goal of the board of directors to have as many people as possible share in the Emmaus experience in a servant's role. Please return this application to a board member, bring it to a gathering, or mail it to:
